| Attendees: | Commissioners/City Representatives | Public Participants |
|-------------------|---|----------------------------|
| | Alison Cucco, Acting Chair | Dan Spadaro |
| | Allison Solowsky | Page Keek |
| | Mario Verdibello | |
| | Greg Lanez | |
| | Michelle Luebke | |
| | Gabrielle Ristorucci | |
| | Kate Lawrence, Secretary | |

Prepared By: Allison Solowsky, Katherine Lawrence

Date Prepared: 16 February 2017

ROLL CALL

Six of eight active commissioners were present; four constitutes quorum. Commissioners Meggett and Goldsmith were absent.

SUNSHINE ANNOUNCEMENT

Secretary Lawrence confirmed the sunshine announcement went out Friday, January 13th.

APPROVAL OF PREVIOUS MINUTES

No other comments from commissioners. December minutes were approved.

ADMINISTRATIVE BUSINESS

- Commissioner Schultzer has resigned from the Commission leaving a vacancy for Acting Chair.
- Commissioner Cucco was recommended and has been appointed Acting Chair.
- Vote was taken on electing a new Vice Chair for the Commission and it was voted that Commissioner Solowsky assume the role of Vice Chair.

OLD BUSINESS

Resiliency Planning Documents - update

- Secretary Lawrence gave a brief update on the Resiliency Planning Documents project. The document is undergoing constant work and is still in draft form.
- The first draft of the Resiliency Master Plan has been submitted but not open to the public as of yet.
- Secretary Lawrence stated that a meeting for the public has been scheduled for March and the deadline for the plans is set for June.
- Commissioner Luebke and Acting Chair Cucco both asked if the Commission would be permitted to see sections of the Plan for review and if our comments would be accepted.
 - Secretary Lawrence stated that there has been much back and forth in regards to editing and that once the Plan is in a more finished format she would circulate drafts to the commissioners for review. In addition, after the public meeting in March, another round of drafts and comments will commence.
- Commissioner Luebke asked if the new Plan includes anything in regards to dealing with natural disasters.
 - Secretary Lawrence stated that the documents address physical and policy measures that would mitigate the effects of a major storm event. She stated that Hudson County has a Hazard Mitigation Plan that includes Jersey City.

NEW BUSINESS

Discussion of EC priorities for 2017

- Commissioner Cucco had circulated a google doc to the commissioners to add ideas and thoughts in regards to possible projects for this year.
- Secretary Lawrence outlined that the Commission should be hosting a conference every two years. This year the Office of Innovation is collaborating with St. Peters University to host a conference in the spring that the Commission could collaborate on.
 - Commissioner Verdibello suggested that the Commission could assist and suggest speakers for panel and round table discussions and could also help pick topics that should be up for discussion.
- Secretary Lawrence mentioned that the draft update of the ordinance for the Jersey City Shade Tree Commission requires that a member of the Environmental Commission be a member of the Shade Tree Commission. Secretary Lawrence also stated that there are no further updates on the Shade Tree Commission at this time.
- A subsequent priority for 2017 will be assisting Dr. Hartman with the completion of the Environmental Resource Inventory and getting the word out to the administration and the community about the project.
- Secretary Lawrence stated that she must check in with Tanya Marione in regards to the EC's generation of an Annual Report.
- The Local Emergency Council was brought up as well as an initiative the EC should be a part of as well for 2017. Commissioner Lanez stated that he would like to be the Commission's designated member to the Council and will attend the meetings.

- Commissioner Cucco mentioned that the EC is the designated Green Team for Sustainable Jersey and asked Commissioner Luebke if she was still interested in spearheading this effort.
 - Commissioner Luebke agreed that she would like to lead this initiative.
 - Secretary Lawrence stated that she has a conference call scheduled to discuss the Commission's Sustainable Jersey certification, which expires this summer. The application would need to be updated in order to resubmit for certification.
 - Commissioners Cucco and Luebke stated that they would be interested in meeting with Secretary Lawrence after the conference call to discuss next steps.
- Commissioner Luebke mentioned that she will be speaking to ANJEC in regards to an interest in stream daylighting.
 - Commissioner Cucco asked if there were specific areas of focus.
 - Commissioner Luebke mentioned that the issue of finding funding was the priority.
 - Commissioner Cucco mentioned that the ANJEC has an Open Stewardship Grant that may be a viable possibility for funding.
- Commissioner Verdibello mentioned organizing a trip to the Boonton Reservoir and stated that his contacts at the Reservoir could come to the Commission to give a presentation prior to our visit.
 - Commissioner Cucco asked if Commissioner Verdibello has a contact to reach out to organize the visit and Commissioner Verdibello stated that Mr. Keith Wood is the Watershed Superintendent and he would reach out to coordinate. Commissioner Verdibello also mentioned that if the Commission would like to visit the sewerage treatment facility as well, it could be coordinated.
- Commissioner Cucco listed Educational Interests and Initiatives as the final priority mentioned for 2017. Possible ideas included creating a public outreach plan/campaign for sustainability, water retention, plastic waste, etc. The public outreach plan could include reaching out to libraries, block associations, and the school system.
 - Commissioner Luebke stated that ANJEC provides educational tools and games that the Commission may be interested in obtaining for Earth Day. ANJEC has tabletop activities as well as a spinning wheel game that she will request.
- Commissioner Cucco stated that commissioners could sign up for predetermined time slots to man the Environmental Commission's booth at City Hall on Earth Day.

Sustainability Plan Framework Brainstorming

- Secretary Lawrence stated that she will begin working on creating the sustainability plan in house and would like feedback from the EC on outreach methods, focus areas, topics of interest, and specific items that the EC would like to see in the plan
- Secretary Lawrence provided copies of Washington, D.C.'s and Battery Park's Sustainability Plans for the Commission's review
- Commissioner Luebke outlined the following points she would like to see in the City's plan:
 - Stormwater management
 - Use of native plants in ornamental plantings

- LEED certifications
 - Bike lanes paved with porous pavement
 - Use of solar panels, alternative resources, green roofs, etc.
- Commissioner Verdibello asked if it would be feasible for the City to utilize solar panels
 - Commissioner Luebke stated that it should be feasible as a city to accomplish
- Commissioner Lanez stated that a topic that should be included is food shortages and access to fresh produce. He also mentioned that the City of Newark is partnering with hydroponic farms to address this issue.
- Commissioner Cucco mentioned community gardens as a subsequent item and stated that the public had expressed an interest in them at Earth Day last year. She stated that a neighborhood garden tour by ward would be a good way to educate the public on community gardens.
- Commissioner Verdibello suggested that transportation items should be included including strengthening the City's partnerships with the Port Authority and NJ Transit.

ANJEC Training in the Spring

- Commissioner Cucco stated that several dates for training have been listed by ANJEC, the most convenient for Jersey City Environmental Commission members is March 25th in Cranford.
- Commissioner Meggett and Secretary Lawrence have not attended and would like to go this year.
- Commissioner Cucco suggested that those who have already attended or would not like to attend again this year could organize an outreach day for that day instead.
- Commissioner Verdibello suggested that Elliot Ruga could do a presentation for the schools.

NJ Tree Foundation Application for Trees for Spring Planting

- Commissioner Verdibello wanted to bring this up for discussion and would like to spread the word to ensure that the community was aware of the opportunity.
- Commissioner Cucco suggested that this item could be brought up at the upcoming Sustainable JC meeting on February 7th from 7pm to 9pm in the Caucus Room in City Hall.

CLOSING REMARKS AND OTHER BUSINESS BY COMMISSIONERS

- Commissioner Verdibello wanted to follow up on the 5.5-acre development in Boonton near the reservoir. He has reached out to Keith Wood and Thomas Gibbons who contacted the MUA director, Council, and Deputy Mayor. Elliot Ruga put him in touch with a contact at McCann- Eckell.
- Commissioner Verdibello would like to write a letter to bring this to the attention of the Mayor, Council, MUA Board and MUA Director. He stated that he will draft a letter this week.

- Commissioner Lanez provided an update on the Rebuild by Design public meetings. The draft Environmental Impact Statement (DEIS) report will be published on February 24th. There will be a public hearing on March 16th. There will be a 45-day public comment period beginning when the DEIS is published on February 24th and closing on April 10th. The Final Environmental Impact Statement (FEIS) and Draft Record of Decision will be published in June.
 - Commissioner Lanez will be attending the public hearing. Secretary Lawrence has been attending the Executive Steering Committee Meetings for the Rebuild By Design-Hudson River Project.

GENERAL PUBLIC PARTICIPATION

- Dan Spadaro and his wife Page Keek provided comments on watershed protection. They asked if there was a means to protect our watershed and stated that upstate NY may provide an example. They recommended that an external risk assessment be made.
- Mr. Spadaro and Ms. Keek also had questions about Hoboken's plans for flooding and the affect Hoboken's plans will have on Jersey City.
 - Secretary Lawrence stated that Hoboken's current plan is not projected to increase flooding on Jersey City's side. In order to proceed with construction using federal funding, Hoboken will have to obtain permission from properties that will be adversely affected.

ADJOURNMENT

The meeting was adjourned at 8:00 p.m.

NEXT MEETING

The next Environmental Commission meeting is scheduled for 21 February 2017 at 6:30 p.m. in the Council Chambers, City Hall, 280 Grove Street, Jersey City, NJ 07302.
