INTERIOR WORK SUBMITTED UNDER SEPARATE APPLICATION

2. Write a detailed description of all proposed work below (attach more sheets if necessary) Please Print:

Jersey City Medical Center/RWJBarnabas (JCMC) is seeking to convert the former Jersey City Museum into an office building to house administrative functions and departments of JCMC. No clinical care of patients will occur at the site.

JCMC is proposing an exterior rehabilitation/renovation to add new windows into previously enclosed openings, to replace the existing entry storefront and vestibule to match the proposed new windows and to install exterior signage.

Specifically, the proposed work includes:

- The installation of 10 new windows on the second floor of the existing building. The windows will be made of Kawneer EnCore storefront in an historical red color with applied muntins.
- The removal of modern storefront and masonry infill at two bays and the return of the ground floor openings to their original full bay door size. The existing, modern, storefront and masonry will be replaced with a Kawneer EnCore storefront in an historical red color with applied muntins to match the second floor.
- JCMC is proposing the addition of one (1) new 20 square foot sign to be installed above the main entry area. Please note materials/colors/and lighting.
- All existing masonry used to infill the former location of windows will be painted a uniform dark gray color to match the glazing. Please note approximate color and finish.

Application Instructions

When an Application to the Historic Preservation Commission is required

Any development, construction, alteration, rehabilitation or repair of any sign, building or property within the four designated Historic Districts of the City or a landmark building, requires the owner of the property to first secure a Certificate of No Effect (CoNE) or a Certificate of Appropriateness (CoA) from the Jersey City Historic Preservation Commission (HPC), whether or not a construction permit is required.

You are applying to receive either a Certificate of No Effect or a Certificate of Appropriateness

These Certificates are obtained by submitting this completed application, descriptive materials, and fee to the Historic Preservation Officer (HPO) at the Division of City Planning, located at City Hall Annex- 2nd Flr. Rm 406 One Jackson Square A/K/A 360 MLK Drive JC,NJ 07305. Hours: 9:00am - 4:30pm Phone #: (201) 547-5010 FAX # (201) 547-4323

All applications will be reviewed by the HPO who may issue a CoNE if the proposed work is for minor alteration or ordinary maintenance repair and will not effect the historic character of the property. If the proposed work would substantially alter the existing character of the property, the HPO may refer the application to the HPC. The HPO shall refer all applications for new construction, alterations, relocation or demolition to the HPC for hearing. If approved by the HPC, a CoA will be issued.

A completed application, 13 sets of descriptive materials, fee, and escrow deposit with signed agreement form, if applicable, must be submitted to the Division of City Planning at least two weeks (14 days) prior to the hearing date.

The HPC meets once per month, on the 2nd or 3rd Monday (unless otherwise noted on the official calendar), at 6:30pm in the Council Chambers of City Hall, 280 Grove Street, Jersey City, NJ. An official calendar of the annual meetings may be obtained from the HPO.

Standards and guidelines which must be followed (copies available at the Division of City Planning)

The Land Development Ordinance of the City of Jersey City outlines the HPC application process and contains the zoning standards for development in the Historic District. The Ordinance also contains *Historic Preservation Design Guidelines* and other guidelines to assist the public in applying to for historic approvals and to enunciate Commission policy.

Descriptive Materials required to be submitted with this application

- Appropriate sketches and/or signed architectural drawings
- * Color and materials samples and manufacturer specifications of all materials to be used including catalog sheets, sample paint chips, etc.
- * A current color photograph of the existing building facade showing details
- * 1938 Tax Assessor's photo, if applicable and not already on file (generally available at the Tax Assessor's Office, City Hall)
