Dear Mr Guthy:

Jarmel Kizel Architects and Engineers, Inc. (Jarmel Kizel) is the architect and engineer of record for the above noted project. As the architect of record, I offer the following as it relates to the planned work:

1. All work will take place within the existing confinement of the building and site.
2. There are no planned excavations deeper than five feet outside of the existing building outline.
3. We do not propose to lower the ground water level.
4. Upon approval of the project and retainage of a contractor they will contact your office and Jersey City as it relates to crane placement.

Should you have any questions or comments please contact my office.

Sincerely,
Jarmel Kizel Architects and Engineers Inc.

Matthew B. Jarmel, AIA, MBA
