

## **Community Impact Plan**

Meme's Danckk World, LLC will partner with the local Community Treasures of Jersey City which is under the leadership of the founder Tina Nalls. Tina's main goal is to empower, inspire and direct individuals through out Jersey City. She can be seen around Jersey City wearing pink fuzzy boots, pounding the pavement in search of donations to help fire victims, struggling families and other neighbors in need. We plan to partner with this organization to provide funding so that she can continue to provide assistance to the community.

We will also work with Tina in providing another space for her to give back within the Greenville Ward A community. The thrift store will have high quality clothes and accessories for sale at a very affordable price to the community. Which will help fund the mission of Community Treasures in giving back to the community.

In order to fund this community outreach, a percentage of the sales will be taken from the cannabis dispensary and will be used to continue this operation.

The main goal is to make sure that we are giving back to our community. Every month an individual or family will have the opportunity to participate in a free give away-drawing. Once the individual or family's name is picked, we will provide the option to have them accept the offer or donate the offer to pay it forward. Local residents will have the opportunity to volunteer their time in maintaining the community outreach.

Memes Danckk World, LLC will impact the community and Jersey City in a very positive way. We will offer a safe, learning, welcoming, positive, and professional environment. We will have a very strong marketing campaign for adults use only and provide information as well on prevention of use of our youth.
